West Hartford Zoning Board of Appeals,

This letter signifies my wish to withdraw my application for appeal of the variance for 30 Farm Hill Road on the purposed deck expansion. Because of this and with the understanding that replacing the current structure with exact dimensions will be permitted, we will be altering the drawings to request said permit.

With this withdrawal, the expectation is that the monies sent for the appeal process, minus the legal notice, for a total of \$348.22 will be returned to us.

Thank you,
Brian Pellegatto
